

## **ONLINE REGISTRATION FOR OUTDOOR SERVICES AGREEMENT & RELEASE OF LIABILITY**

As we transition back to in-person church, the health and safety of our members and families remain a top priority. We are all eager to resume the normal activities of congregational life. In order to do that, we are asking our members and families to acknowledge the risks (very slight for fully vaccinated individuals) inherent in socializing together and to take responsibility for their choices with regard to participation in in-person worship. **By registering to attend in-person worship services, you will agree to:**

\_\_\_\_ wear a mask at all times.

\_\_\_\_ maintain appropriate social distancing of at least 6 ft. from other attendees not in my immediate family.

### **Release of Liability**

I understand and acknowledge that by attending in-person worship services during times of high COVID-19 transmission rates, I risk being exposed to and possibly contracting COVID-19. Although the risk to me and others in my family is less for those of us who have been fully vaccinated, I understand and acknowledge that infection may occur even when safety precautions are in place and CDC guidelines are being adhered to. In consideration of being able to attend in-person worship services, *I hereby knowingly and voluntarily agree to release and discharge* (for myself, my heirs, executors, administrators, and assigns) the First Unitarian Church, its officers, directors, staff, agents, representatives, successors, and assigns from any and all liability, claims, suits, actions, cause of action, crossclaims, counter-claims, compensatory damages, liquidated damages, or other damages, claims for costs and attorney fees, or liabilities of any nature whatsoever, either at law or in equity, for or because of any illness or injury which my child(ren) might incur from unintended exposure to COVID-19 while attending worship services or other associated activities or because of any negligence or fault of First Unitarian Church or its agents arising directly or indirectly from the precautions taken to prevent the spread of COVID-19.

I have read the above, I fully understand it, and all of my questions about it have been answered to my satisfaction.

*You will agree to this statement when you register to attend.*
